### CERTIFICATE OF ATTENDANCE

This is to certify that the lab

**VPL 'Het Woud'**  
**Postbus 11**  
**6560 AA Groesbeek**  
**The Netherlands**

successfully attended the proficiency test for the McMaster technique in 2011.

Ten labs from different European countries were included in the ring trial.

The inter- and intra-laboratory variations were within the range for what could be expected using the McMaster technique.
